

2023

Sport/Federation Name: Saudi Cycling Federation

Name of the Executive Director of the Federation: Abdullah Suleiman Aljardan

Competition Director: Rayan Bandar AlHumaidi

Document upload date: 5/7/2023

Will the federation hold auditions or qualifying events?

Auditions and Qualifications

Are the auditions for the general public, club, and association players, or are they restricted to club and association players only?

Performance auditions are attended by all amateurs and residents, male and female, according to the conditions of participation in auditions.

Are the qualifiers for the general public, club, and federation players, or are they restricted to club and federation players only?

Club players are classified according to the results of the league for the year 2022/2023 for the individual race of the year, and the performance auditions are for amateurs and residents, male and female, according to the conditions of participation in auditions.

Conditions and requirements that must be met by male and female players wishing to register for auditions or qualifiers, including age:

All those registered on the Saudi Games registration platform participate in the auditions.

1. Residents, children born in Saudi Arabia, children of female citizens, and those registered on the Saudi Games platform are allowed to participate, provided that they have a valid residence permit and that their stay in the Kingdom is not less than two years.
2. Amateurs and residents have the right to participate in auditions, provided that they register with one of the registered cycling clubs.
3. Each participant registers with the club with which he wishes to participate through the federation.
4. If the participant is unable to register in the club with which he wishes to participate in order to complete the number, he shall register in another club in which registration is available.
5. The registration of amateur players in the Saudi Games is an exceptional registration that ends with the end of the Saudi Games.

2023

6. The club has the right to register the amateur players registered with it in the auditions and include them in its official records if the amateur player so desires, provided that the upper limit for the adult category has not been reached.
7. The participation of any player who is not registered on the designated website will not be accepted.
8. Participation for males is for the category of 19 years and over (born on 1/6/2004 or less).
9. Participation for females is for the category of 18 years and over (born on 1/6/2005 or less).
10. The free amateur player (who has not registered in any club at the time of the audition) has the right to participate in any club of his choice.
11. Participate in one audition only.
12. Accepting the result of the resident's qualification according to the percentage of 10% in the Saudi Games Regulations.
13. The auditions are held as a public individual race, and the outcome of each race is determined by an individual result.
14. The auditions are held as a team race against the clock (men), and the result of each race depends on the team result.
15. The terrain and roads may differ in the auditions from what is the case in the Saudi Games.
16. The objection shall be opened for a period of half an hour from the closing time of the arbitration panel.
17. All races are subject to the regulations of the Saudi Cycling Federation and its regulations applied in internal activities, as well as the rules and regulations of the Saudi Games, without prejudice to the aforementioned.
18. Conduct a medical examination.
19. The qualified players from the two league ranks are entitled to participate in the individual race of the year as well as the team race against the clock under their registered clubs.
