The conditions and requirements that players must meet to register for performance trials or qualifications, including age, are as follows:

For Men's Futsal:

1. Clubs participating are allowed to register a maximum of two non-Saudi players classified in the futsal game, holding a valid residence permit or Saudi Arabian Football Federation card, and the player should not be registered with any other federation.
2. Only players classified in the futsal game are eligible to participate in this tournament.

For Women's Futsal:

3. Clubs participating are allowed to register one non-Saudi female player, and the player should not be registered with any other football federation.

General Requirements for Both Men's and Women's Futsal:

4. Players must pass the required medical examination to participate in the Saudi Arabian Games.
5. Saudi Arabian and resident players are eligible to participate (residency in the Kingdom of Saudi Arabia for at least two years, with a valid residence permit). Additionally, the sons of citizens and nationals are eligible to participate
