Executive Director of the Saudi Weightlifting Federation: Sultan Bin Mahfouz

Competition Director: Abdulrahman bin Ali Al-Asmari

Date of document upload: 03/04/2023

Will the federation evaluate the performance trails or qualifiers (qualifying tests)?

Answer: performance trails.

Are the performance trails for both public and club's athletes; or limited only to club's athletes?

Answer: For both public and club's athletes; for the residents (the Iqama must be valid ) for the births and children of female citizens, the athlete should be medically classified in accordance with the International Paralympic Committee's standards.

Are the qualifiers open for both public and club's athletes; or limited only to club's athletes?

Answer: There are no qualifiers, but performance tests only.
