Date Entered By: ICSD Audiogram

COMMENTS:

* This field is required and audiogram form must be completed three (3) months before the event.

Notes for the audiologist:

Thank you for using the ICSD audiogram form. Our athletes need to complete this form fully to receive an identification number to participate in upcoming Championships or Deaflympics events.

In compliance with ICSD audiogram regulations, here is a guideline for you to complete the ICSD audiogram form, as listed below:

1. Official ICSD Audiogram form must be used. The form can be downloaded from www.iafifypm.com/forms/audiogram.pdf

2. All four (4) types of audiogram testing below must be filled out entirely for EACH ear including:

- Air Conduction** - Please test on 500, 1000, and 2000Hz
- Bone Conduction** - Please test on 500, 1000, and 2000Hz
- Tympanograms (Tympanometry)** - Please write numbers
- Acoustic Reflexes (Reflexometry)** - Please write numbers or NR if there are no responses. Do not use dash mark (-) or zero (0).

3. Below yellow box with numbers indicates required fields for you to enter:

1. **Audiometer** - Identify the name of the audiometer.

2. **Examiner Name** - Name of the audiologist who performs the test.

3. **Calibration** - Indicate the name of the calibration used.

4. **Date of Examination** - Enter examination date.

5. **Air Conduction** - Record air testing results. See 2.1 above. If there are no responses in Air Conduction, please write NR as noted in "Key to Symbols".

6. **Bone Conduction** - Record bone testing results. See 2.2 above. If there are no responses in Bone Conduction, please write NR as noted in "Key to Symbols".

7. **Tympanometry** - Record Tympanometry test results. See 2.3 above.

8. **Reflexometry** - Record Reflexometry test results. See 2.4 above.

9. **Pure Tone Average** - Add 500, 1000, 2000Hz and divide by three (3) for both air and bone testing results.

10. **Type of Hearing Loss** - Identify the type of hearing loss or hearing A accordingly as shown on the form for respective ear.

11. **Comments** - Please write comments as needed about this athlete. If there are no Tympanogram or reflex requirements to test, please write comments in English.

12. This is for ICSD official uses only, do not write.

Failure to observe the requirements will result in delayed approval.

Thank you in advance for your cooperation,
ICSD Staff

As of: May 2011

clubs and centers as well as registered in the sports portal of the

Ministry of Sports.

3 -The player is considered eligible to participate from the age of 15 years

and over,

4 - The tournament is played in a knockout system

5 - The results of the Kingdom Futsal Championship for the 2024 season will be

approved, and in the inability to hold it, the results of the 2023 Saudi Games

will be adopted in order to conduct a draw directed to the top four clubs to

ensure that they do not meet in the first rounds

6 - The number of participating clubs and centers is 16

7 - The number of players is 10 players for each club and center in

addition to a coach and administrator, the total number of

the team is 12

8 - The player must have a medical report proving that he is deaf or hard

of hearing (By filling out the official audiogram measurement form

approved by the International Committee for Sports for the Deaf)

according to the following : -

Definition and proof of deafness:

• Deaf is defined as hearing loss of at least (55dB) decibels in a good ear. (3-

tone frequency with an average of 500-1000-2000 Hz - 1969

specifications) Critical hearing cases between 55-65 will be thoroughly

examined.

• The federation is responsible for measuring the hearing level of each

athlete.

• Every new athlete must use the official audiogram measurement form

approved by the International Committee for Sports for the Deaf

according to the attached form.

• All audiogram measurement forms must be filled out for each ear,

including:

A- Air delivery.

B- Bone conduction.

c. Drum layout.
